

United Nations Educational, Scientific and Cultural Organization

**HEAD OF THE PERTH REGIONAL PROGRAMME
OFFICE OF THE INTERGOVERNMENTAL
OCEANOGRAPHIC COMMISSION (IOC)**

The IOC of UNESCO operates a regional programme office in Perth, Western Australia, in partnership with the Government of Western Australia, and the Bureau of Meteorology of the Commonwealth of Australia. Currently, the agreement extends through June 2008. The Office coordinates the full range of UNESCO/IOC activities, while focusing on the balanced regional development of GOOS, especially in the Indian Ocean, Australia and SW Pacific. The building of capacity of countries in the region to participate in and benefit from GOOS is a high priority. We are now seeking to recruit for the above position.

Qualifications and experience required:

- MSc and/or PhD and tens years or more experience at a professional level in a marine science or relevant environmental discipline;
- Familiarity with the functioning of international programmes in marine or related environmental science;
- Demonstrated ability to organize conferences, workshops and training courses;
- Extensive experience in the use of computer-based communication;
- Demonstrated skill and experience in programme management;
- Entrepreneurial skill;
- Excellent command of English language;
- Skill and effectiveness in written and oral communication and presentation.

Salary and allowances:

Appointment will be as a consultant with an annual salary of \$US80,000 plus local benefits including resettlement costs and a car.

Information on applying for the position is available from Mr. William Erb Tel: 618 9226 2899 or W.erb@bom.gov.au.

Applications with CV, in English, date of birth, nationality and three referees, should be sent electronically to W.erb@bom.gov.au. Alternatively, they can be mailed to Mr. William Erb, IOC Perth Regional Programme Office, C/O Bureau of Meteorology, P.O. Box 1370, West Perth, WA 6872, Australia **not later than 24 September 2006**. Only candidates being seriously considered will receive an acknowledgement
